

# WORLD TOWN PLANNING DAY

Experience planning tomorrow's sustainable cities

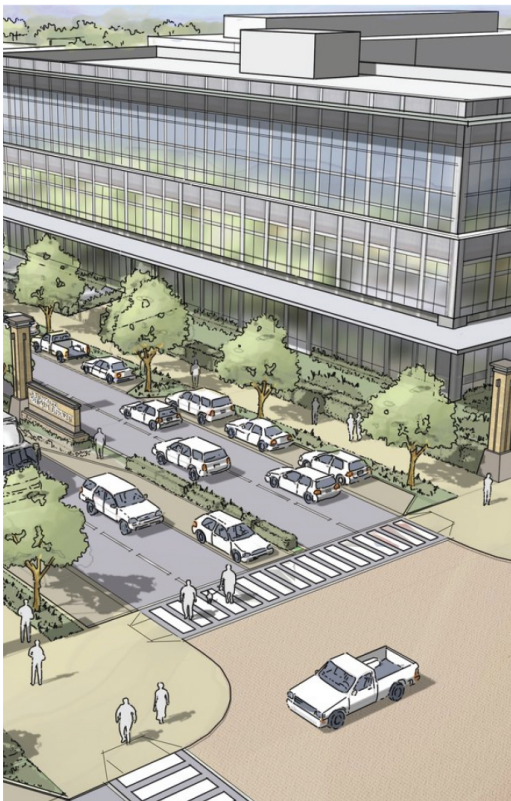

**Work with local planners to develop ideas for a sustainable, intensified community node in Downtown Kitchener. In teams, you'll brainstorm exciting concepts for transforming the current urban fabric into a vibrant, human scaled place.**

**8:30AM-8:45AM** - Welcome & Registration

**9:00AM-9:50AM** - Lecture 'What is Planning?'

**10:00AM-11:20AM** - Charrette Exercise. The site that will be analyzed is around King and Victoria in Downtown Kitchener and will encompass the proposed transportation hub.

**11:30AM-Onward** - Lunch & Optional Campus Tours

**Date:** November 5th, 2013

**Location:** University of Waterloo, Environment 3 Building

**UNIVERSITY OF WATERLOO**  
FACULTY OF ENVIRONMENT
